#### **COD System Maintenance Planned For Sunday, March 11, 2007 (03/07/07)**

The COD System will undergo routine maintenance on Sunday, March 11, 2007 from 1:00 A.M. until 1:00 P.M. (ET). In addition, the Student Aid Internet Gateway (SAIG) will be unavailable from 3:00 A.M. until 11:00 A.M. (ET) due to its regular Sunday morning maintenance. The impact of these overlapping outages is as follows:

- Users will not be able to submit or retrieve data via the COD Web site between 1:00 A.M. and 1:00 P.M. (ET).
- Batches submitted by schools via the SAIG between 1:00 A.M. and 3:00 A.M. (ET) will be held and not acknowledged back to schools until after COD comes back up at 1:00 P.M. (ET).
- Schools attempting to transmit batches via the SAIG between 3:00 A.M. and 11:00 A.M. (ET) will receive an error message informing them that the SAIG is unavailable and that the data must be transmitted at a later time.
- Batches submitted by schools via the SAIG between 11:00 A.M. and 1:00 P.M. (ET) will also be held and not acknowledged back to schools until after COD comes back up at 1:00 P.M. (ET).

Federal Student Aid apologizes for any inconvenience these outages may cause. If you have any questions about the COD System, contact the COD School Relations Center. If you have any questions about the SAIG, contact CPS/SAIG Technical Support at 800/330-5947 or e-mail [CPSSAIG@ed.gov](mailto:CPSSAIG@ed.gov).

#### **2007-2008 Federal Pell Grant Payment And Disbursement Schedules [02/22/07 (Updated 03/07/07)]**

#### **Background**

On February 15, 2007, the President signed the Revised Continuing Appropriations Resolution, 2007, (P.L. 110-5) that establishes the maximum Federal Pell Grant (Pell Grant) award for the 2007-2008 Award Year at \$4,310 and, with the minimum award continuing to be \$400, sets the maximum Expected Family Contribution (EFC) that a student may have to

be eligible to receive a Pell Grant at 4110. These amounts (and related statutory provisions) were used to develop the Pell Grant payment and disbursement schedules for the 2007-2008 Award Year, which are available in [Dear Colleague Letter P-07-01](#) on the Information for Financial Aid Professionals (IFAP) Web site.

On February 27, 2007, Federal Student Aid posted information about the operational implementation of the Pell Grant payment and disbursement schedules for the 2007-2008 Award Year in an [Electronic Announcement](#) on the IFAP Web site. This announcement provides schools with high-level information about the impact on the Central Processing System (CPS) and the COD System and Federal Student Aid's anticipated implementation dates related to these systems.

**Note:** For information about the impact on the CPS, refer to the [February 27<sup>th</sup> Electronic Announcement](#) and to a subsequent Electronic Announcement posted on March 1, 2007. The [March 1<sup>st</sup> Electronic Announcement](#) informs schools of the date when Federal Student Aid will reprocess the applicable 2007-2008 CPS records.

#### **COD System Information**

As explained in the [February 27<sup>th</sup> Electronic Announcement](#), Federal Student Aid plans to update the 2007-2008 COD System with the Pell Grant payment and disbursement schedules during the period May 11-12, 2007. Federal Student Aid decided to perform this update through a separate release to avoid delaying the April 13-14, 2007 implementation of COD System functionality that supports 2007-2008 award-year processing. At the time Federal Student Aid posted the earlier announcement, it was evaluating options related to the acceptance of 2007-2008 Pell Grant origination and anticipated disbursement records during the interim period between the April and May releases.

On March 6, 2007, Federal Student Aid posted a subsequent [Electronic Announcement](#) on the IFAP Web site. The [March 6<sup>th</sup> Electronic Announcement](#) informs schools of Federal Student Aid's determination that ***the COD System will begin accepting 2007-2008 Pell Grant origination and anticipated disbursement records after Federal Student Aid completes the May 11-12, 2007 update to the 2007-2008 COD System.*** This approach will allow Federal Student Aid to begin accepting and processing all 2007-2008 Pell Grant origination and anticipated disbursement records after it has updated the 2007-2008 COD System with the Pell Grant payment and disbursement schedules. In addition, this approach will eliminate the need for schools to resubmit Pell Grant origination and anticipated disbursement records to the COD System.

Federal Student Aid will continue to communicate with schools about the acceptance of 2007-2008 Pell Grant origination and anticipated disbursement records by the COD System through forthcoming release-related Electronic Announcements on the [IFAP Web site](#). In the meantime, Federal Student Aid wants to highlight the following key points:

- ***After implementation of COD System functionality that supports 2007-2008 award-year processing during the period April 13-14, 2007, the COD System will***

accept origination and anticipated disbursement records for 2007-2008 Academic Competitiveness Grant (ACG) and National Science and Mathematics Access to Retain Talent Grant (National SMART Grant) awards. The COD System will also accept origination, anticipated disbursement, and actual disbursement records for William D. Ford Federal Direct Loan (Direct Loan) awards.

- *After implementation of COD System functionality that supports 2007-2008 award-year processing during the period April 13-14, 2007 and before the 2007-2008 COD System is updated with the Pell Grant payment and disbursement schedules during the period May 11-12, 2007, the COD System will reject origination and anticipated disbursement records for 2007-2008 Pell Grant awards.*
- It is not necessary for the COD System to accept a 2007-2008 Pell Grant record for a student before it can accept a 2007-2008 ACG or National SMART Grant record for that student. (Federal Student Aid will perform this check later in the award year.) Therefore, a school that wishes to submit 2007-2008 ACG and/or National SMART Grant origination and anticipated disbursement records to the COD System before the COD System begins accepting 2007-2008 Pell Grant origination and anticipated disbursement records may do so.
- When a school submits a 2007-2008 Pell Grant origination or anticipated disbursement record to the COD System after May 12, 2007, the record must include a CPS transaction number for a transaction that has been designated as “Pell Grant Eligible.” If the record does not include a CPS transaction number for a transaction that has been designated as “Pell Grant Eligible,” the COD System will reject the record.
- Federal Student Aid will provide information about the COD System’s acceptance of actual disbursement records for 2007-2008 Pell Grant, ACG, and National SMART Grant awards through our forthcoming release-related Electronic Announcements on the [IFAP Web site](#).

**Note for EDEExpress Users:** As Federal Student Aid explained in the [February 27<sup>th</sup> Electronic Announcement](#), it will need to update the appropriate modules in EDEExpress with the new Pell Grant amounts through a future release. Federal Student Aid is still evaluating options for the updated EDEExpress software release and will communicate the details through a forthcoming Electronic Announcement on the [IFAP Web site](#).
